Description

The Dromarti, La Grande Mitt, is supremely comfortable, and the epitome of good taste and style.

Each glove is individually handmade from soft Nappa leather, with a reinforced slim padded palm, featuring a hand crochet back, piped in leather with an adjustable closing strap displaying the Dromarti marque.

To complete the picture the Grande Mitt comes complete with a handmade leather storage Pouch.

Care

- Only wash using very mild detergent.
- When wet reshape and leave to dry naturally away from heat or sunlight.
- Do not wash with other items.
- Periodically feed the leather with a good quality leather cream.
- Only store in pouch when completely dry.
- Love your gloves and they will love you.
